

2019 WAYNE DERBY WITHIN A DERBY

The Derby Within A Derby will be run on one day, Saturday May 4, with a dressage test and only one jumping round. Dressage: USEF 2018 Beginner Novice Test A. Jumping specifications as per Starter.

Both phases will be judged on performance, willingness, manners, and suitability as a lower level eventer. This Division is open to horses who do not regularly compete in recognized Events, Dressage or Hunter/Jumper Shows, and it is designed to provide a taste of competing at a "big time" venue without the stress of a full-fledged two or three-phase event. Professionals may compete but are asked to do so hors concours, without honors.

Entry fee for the Division is \$90.00 (does not include stabling) from March 26 until April 23. If paid from April 24 through April 26, the fee is \$100.00. There will be stabling available for one day cost, if needed, of \$50.00. (If horses entered in this division will be on grounds for the whole weekend, they must pay stabling of \$150.00)
